National Junior League 2015/ 2016

NJL DIV 1 DAY4 27th FEB, Asa , David & Damien

At the start of the day Graham Spicer led the field just 1 point ahead of Chelmsford A, Ellenborough A and Fusion 1. The expectation was that Graham Spicer having already beaten all three of the chasing pack would rapidly move ahead with a really tight scrap taking place behind them for the runner-up spot but as so often happens fate took a hand with both Chelmsford A and Fusion 1 missing two of their first team players. In the first round of the day Graham Spicer beat Warren Spring A by 8-1 increasing their lead over Ellenborough A to 2 points.

In the second round It was Graham Spicer's turn to benefit from the 9 points from Fusion 2 and this put them 3 points ahead of Ellenborough A. Ellenborough A didn't give up and in the last round scored a 9-0 victory over Fusion 1 finishing on 47 points. This was still not good enough as Graham Spicer completed their programme undefeated winning 8-1 against Mossford 1 to give them a total of 49 points 2 points more than Ellenborough A and running out well deserved winners of the Tournament ,no mean achievement against strong opposition.

National Junior League 2015/16

This season we have entered one team in the NJL at Ellenborough (which has a nine game format), and have been placed in Div2. It's important to note that this year we have lost 4 players due to other commitments and ineligible due to age but it has allowed Asa and Damien to step up at both levels with help from David and Oscar. Our other 2 teams are in Div1 and Div 3 of the NCL at Horsham, (which has a six game format). The tournament is run over 4 days each year between the months of October and March/April.

NJL Day1 10/10/15 - Graham Spicer A team: Asa Gauntlett, Damien Gray, Darshan Kumaresan. Div2 had 7 teams and three rounds of matches were played, with one team sitting out in each round. BATTs B remain unbeaten in Div2, having won all their 3 matches by 6-3 against Mossford 2, Warren Springs B, and Chelmsford B. They top the table with 18 points. Also unbeaten is Graham Spicer, who won 8-1 against both Chelmsford B and Warren Springs B, and despite having played one match less, are only 2 points behind. Asa and Damien both on 100%, with Darshan on 67%.

NJL Div2 Day2 21/11/15 - Asa, Oscar, Owen, Damien.

Graham Spicer, who were lying in equal second place, but with a game in hand at the start of

the day, produced another sterling performance beating top teams BATTs B, Mossford 2, BATTs A and the much weakened Ellenborough C, with the loss of only 1 set. They now head the table with 51 points, and a massive 14 point lead over BATTs A in second place. Asa and Oscar both on 100% 10/10 and Damien on 90% 9/10.

NJL Div1 Day3 16/01/16 Asa, David Suk, Damien.

The decision to promote Graham Spicer to Division 1 at the end of the first round-robin, proved fully justified, as we were the only undefeated team at the end of Day 3. Although all our four matches produced close scores, we managed to come out on top in each case, beating Barnet by 7-2, Chelmsford A by 6-3, Ellenborough A by 5-4 and Fusion 1 by 6-3. This gave us a total of 24 points and a lead of just 1 point at the top of the table over Chelmsford A, Ellenborough A and Fusion 1, who all won their remaining 3 matches, and all ended up equal 2nd with 23 points apiece. Although the lead is a slender 1 point we are the only team to have played all our main rivals and providing we can manage to field the same team, maintain the same high level of concentration and consistency then we should be successful on Day 4. Asa 75% 9/12, Damien 67% 8/12, David 58% 7/12.
